MORE PURSE GRAB-BING AT CAIRO

NEGOES ARE STILL SNATCHING PURSESE

Militia Guarding Sheriff—Blacks Make Insulting Remarks at Funeral

Cairo, Ill., Feb. 21.—Police officers are searching the city tonight for a negro suspected of purse snatching and another clash between the authorities and the citizens is feared if the man is caught.

Feeling is still running high against the negroes, and intensity was added to this sentiment this afternoon when negroes, it is charged, made insulting gestures at the persons in the funeral procession that was following the body of Alexander Halliday, killed Thursday night in an attack on the jail to the cemetery.

Claim Negroes Act Insultingly
Nearly 600 persons attended Halliday's funeral and accompanied the body to Mounds, Ill., on a special train. As the train was passing through the negro district east of Cairo negroes collected to watch its passage. At Thirty-First street, members of the funeral party charge, an insulting demonstration was made.

An effort was made to organize a party on the train during the return trip to wreak summary revenge on the negroes, but no disturbance resulted. An unidentified man created a disturbance at the cemetery by demanding permission to make a speech over the grave, but he was hurried away. He said he was a friend of Halliday and that he had been run out of town by the police.

Police Hunting Purse-Grabber
The negro police are after tonight is believed to have been associated with John Pratt, the negro who escaped lynching by the Sheriff defending the jail. If he is caught an effort may be made to take him away from the police militia petao away from the police before the militia can interfere. The militia patrols the streets tonight. Several small crowds were dispersed through out the day.

Future Outbreaks Feared
The bitterness of feeling against the negroes is manifested in threats and rumors of future demonstrations. Women generally are carrying revolvers and are urging their husbands and male relatives to shoot to kill if attacked. The special Grand Jury which has been expected to investigate the riot probably will be dissolved tomorrow. Judge Butner, who instructed the jury, conferred with Sheriff Nellis today and later announced he would decide whether a new jury is necessary. There are four negroes on the jury.

Sheriff's Home Guarded
The home of Sheriff Nellis is guarded by militia and he is given a militia escort when he leaves the court house. Feeling is against him for appointing negro deputies and allowing Halliday's body to lie in the front of the jail three hours. Adj. Gen. Dickson, Gov. Deneen's personal representative, declares that Sheriff Nellis was not ordered by the Governor to permit the body to lie on the ground.

Sheriff's Wife Prostrate
Mrs. Nellis, wife of the Sheriff, collapsed this morning under the strain, and is now under the care of a doctor. She is one of the women who are carrying revolvers.

The ministers in their pulpits today united in urging the citizens to support the law. The Rev. Frank Thompson of the First Christian church said:

"No American whose heart is filled with passion for the Commonwealth can approve mob law, yet things have occurred here which, if they had not moved Cairo's brave men to deeds—daring and desperate deeds—and Cairo's fair women to tears, would have lowered them to the level of the unfeeling ox, which calmly feeds as his comrade suffers or dies."

This in a way is the feeling in Cairo among the masses.

Illinois National Guard was tonight ordered to report here by Adj. Gen. Dickson. The Shelbyville company will arrive tomorrow on a special train.

Adj. Gen. Dickson and Sheriff Nellis conferred tonight, and the ordering of the additional militiamen was the result.

Adj. Gen. Dickson nor Sheriff Nellis would say that any particular trouble is expected. They say that additional militiamen were ordered as a precautionary measure.

If the verdict of the Coroner's jury at the inquest which will be resumed tomorrow names a negro Deputy Sheriff as being responsible for the death of Alexander Halliday, it is believed that an effort will be made to harm the deputy.

FAST TRAIN DERAILED.

Sleeping Passengers on Pennsylvania Limited Severely Jolted.

Pittsburg, Pa., Feb. 21.—Pennsylvania train No. 30, which makes New York in twenty-four hours from St. Louis, was making a fast run over a level stretch of the Panhandle division, when five of its six cars jumped the track a mile west of Scio, Ohio, at 8 o'clock today.

The passengers, most of whom were enjoying a late Sunday morning sleep, were shaken from their berths and some suffered from the shock, but none was injured seriously. They took another train for New York. Railroad officials believe a broken rail caused the wreck.

TWO CAR PASSENGERS DEAD

Blowing Out of a Fuse on El Paso Street Car Responsible for Fatal Frigate

El Paso, Texas, Feb. 21.—Crazed by fright caused by the blowing out of a fuse on an Arizona street car at eight o'clock last night as it was passing Hotel Dieu, several passengers leaped from the fast moving car and two were instantly killed and one fatally injured and a number slightly hurt.

A. G. Smith, aged 32 years, who recently moved here from Big Springs struck on his head and was instantly killed, his skull being crushed and his neck broken. He is survived by a wife and two children, the youngest just one week old.

An unknown man, supposed from papers in his pocket, to be W. H. Weldon of Ashland, Kan., sustained a fracture of the skull and is believed to be fatally injured.

Several others are known to be slightly injured.

The car was crowded, but nobody that remained on it was hurt.

INSTITUTES LARGELY ATTENDED.

The reports from Superintendent
of Institutes, J. C. Elliott, to the
State Board of Agriculture, on an-
nual institute meetings recently held
in Claremore, Vinita, Pryor Creek and
Broken Arrow, show conclusively
that the farmers' and business men
of that section of the state recognize
in the County Institute system one
of the very best agencies for the or-
ganization of the people for the pur-
poses of development in both an ed-
ucational and material way. The paid
membership of many of the County
Institutes in that part of the State
has already reached several hundred,
and the organizations are less than
two years old.

Tulsa County, in which Broken Ar-
row is located, has, perhaps, the
largest paid membership in the State,
and much of this splendid showing
has been made possible by the hearty
co-operation which the organization
has received from the Tulsa Chamber
of Commerce and the business men
of Broken Arrow. So thoroughly has
the institute interest spread that resolu-
tions were adopted at the meeting
just held providing for an annual in-
stitute fair to be held at Broken Ar-
row, and it has been made a perman-
ent feature. Many other counties in
every section of the State are fully
alive to the importance of the County
Institute, and special meetings are be-
ing held in several of the counties
this month and next.

In Major County the institute meet-
ings have been characterized by un-
usual spirit and enterprise, and a spe-
cial meeting of two days held on
Monday and Tuesday of this week
embraced a splendid progress and
delightful dinners served by the La-
dies' Auxiliary of the Institute.

These meetings are non-partisan
and non-sectarian and their primary
purpose is to afford the men and wo-
men who are interested in agriculture
and its kindred industries an oppor-
tunity to meet and interchange expe-
riences and hear and discuss the
latest developments in agricultural
and industrial science. Aside from the
social and neighborly features of these
gatherings the Institute can be prop-
erly classed as college extension work
for the benefit of the men and women
who have passed beyond the school
attendance age, but who are more
vitaly interested than any one else
in the progressive development of every
department of farm life.

What has been done in the way
of building up strong and progressive
organizations in Tulsa, Major, Craig,
Kay, Rogers, Mayes and many other
counties of the State under the new
Institute law can be done in all the
counties of the State when once the

purpose of the Institute is understood
and the business men of the town and
cities lend their co-operation to the
progressive men and women who real-
ly represent the modern, down-to-
date farm life of the new State.—

NEW YORK STATE SCANDAL GROWING

LEADERS WORKED UP OVER PRO- CEEDINGS

Committee to Look Into Doings of
Legislature—More Sensations
Are Due

Albany, N. Y., Feb. 21.—With the
Republican party managers deeply ex-
ercised over the bribery scandal of
the days of the blackhorse cavalry
and the air surcharged with reports
that as the probe goes on it will
strike the living as well as the dead,
the Allds trial will on Tuesday enter
upon its third week.

Nothing in the last ten years has
disturbed the Republican State lead-
ers as has the Allds case up to date,
and the distress of the leaders is
heightened by the prospect that more
skeletons will be dragged from the
political garret as the inquiry con-
tinues.

Already Albany has had more thrill
and bombshells than it has ever
known during a single session of the
Legislature, at least in the memory
of legislators now here, and the end
is by no means in sight. In fact, the
fever of investigation has seized of-
ficial Albany, and before it has finish-
ed its course the prediction is made
that there will be many victims, some
of them not yet even hinted.

The Republicans have taken the
initial step in a sweeping inquiry in
the appointment of a joint committee
to investigate the acts of the Legis-
lature of 1901, when the acts of
bribery are alleged to have been com-
mitted, and 1902, 1903, 1904 and 1905,
in all of which years with the excep-
tion of 1904, there was a corruption
fund raised by the bridge combine, ac-
cording to Senator Conger's testi-
mony.

There is much speculation as to
how far-reaching this subsequent in-
quiry may be. Orders already given
indicate that the supplemental in-
vestigation will take up incidents con-
nected with other corruption funds
than those raised by the bridge com-
panies.

CHARGES ARE DISMISSED

Secretary Ballinger Does Not Find
Enough Evidence to Fire
Benedict

Washington, Feb. 21.—Secretary
Ballinger of the Interior Department
today dismissed the charges of mis-
conduct in office against John D.
Benedict, superintendent, and Calvin
Ballard, Frederick H. Umholtz and
Walter Falwell, supervisor of Indian
Schools in Oklahoma. The charges
were filed several weeks ago and have
been thoroughly investigated by of-
ficials of the Indian Bureau. Pending
the investigation the men were sus-
pended. They will not be reinstated
for the reason that their positions
will be abolished. Secretary Ballinger
said this afternoon:

"Investigation has disclosed the
fact that the evidence was not suf-
ficient to warrant the dismissal of
any of those officers; however, de-
fects in their system under which
they were working made a change
necessary. In view of the fact that
the Indian office has the equipment
and capacity to carry on this edu-
cational work, it was deemed advis-
able to place the entire matter under
the control of the Commissioner
of Indian Affairs and abolish the
positions March 1. Supervisor Lipp
of the Indian service, who relieved Su-
perintendent Benedict upon his sus-
pension, has been directed to remain
temporarily in charge of the schools
pending the reorganization by the
Commissioner of Indian Affairs.
Superintendent Benedict and the
supervisors were today notified by
Secretary Ballinger of his action.

is claimed.

SENATOR TILLMAN IS BETTER

Regains Power of Speech and General
Improvement Is Noticed, Says
Bulletin.

Washington, Feb. 21.—Favorable
indications showed themselves today
in the condition of Senator Tillman.
The initial symptoms which caused his
partial paralysis and loss of speech
have abated and improvement has
commenced, according to a bulletin
issued late this afternoon by the three
attending physicians. Today he re-
cognized and called by name one
of the physicians, a man whom he
had seen but one time before. At
noon today the Senator had spoken
but two words since he was strick-
en last Thursday, but today when
the family physician entered his face
brightened as he recognized him, and
he said:

"Hello, doctor."

A little later the physician said
to the senator:

"I don't suppose you remember
me."

"Yes, I do," replied Mr. Tillman,
"you are Dr. White."

The doctors consider this return
of speech most favorable and they en-
tertain no doubts now as to the pa-
tient's full recovery of his speech.
The senator passed a comfortable
night and awakened this morning
soon after the physicians arrived.

Following is the bulletin:
"The senator's condition is as fa-
vorable as could be expected. The in-
itial symptoms have abated and im-
provement is expected. The distur-
bance of speech is less marked, pulse
72, temperature normal and he is
resting comfortably. There are no in-
dications pointing to the probability
of unfavorable developments at this
time."

3 CENTS A MILE ON KATY TOMORROW

GET READY TO DIG DOWN IN
YOUR POCKET

Old Rate Effective Tuesday—Freight
Rates Boosted—Frisco Does
Not Raise

Well,
How you like it—
To pay 3 cents a mile for your
railroad traveling?

Doesn't make any difference wheth-
er you like it or not, you'll have to
pay it.

If you ride on the Missouri, Kan-
sas and Texas, alias, the Katy.
Agent Green of that road advises
today that on tomorrow morning the
3-cent fare will be put back into ef-
fect.

The fare tomorrow and afterward
to Oklahoma City will be \$2.70, 50
cents more than it is today.

The fare to Shawnee will be \$1.45,
50 cents more than today—and so on
to every station on the road in Okla-
homa. Interstate rates will be made
known in a short time.

Receipt Given.
When a passenger buys a ticket a
receipt will be given him, so that
if the supreme court decision up-
holds the 2 cent fare, the purchas-
er's one cent a mile extra which he
has paid for the ticket will be re-
funded. The price of the ticket will
be stamped on every ticket sold.

Freight Rates Up, Too.
On March 1, the Katy freight rates
will be boosted 25 per cent to 35 per
cent. Commodity rates covering as-
phalt, brick, lime, cement, stone,
gravel and other products applying
to this section of the state, will be
shoved back to the old rates.

General Supt. Quits.
E. M. Enalord who for some time
has been general superintendent of
the Katy, has resigned to become
general manager of the Midland Val-
ley at Muskogee. He is succeeded by
J. W. Walton of Denison.

No Raise on Frisco.
"We have no instructions to raise
passenger or freight rates on the
Frisco and if such a movement is
contemplated I do not know any-
thing about it," said I. McNair, agent
of the Frisco, today when asked
whether the Frisco intended to put
the 3 cent fare in effect again.

The unfortunate man was formerly

before the thaw, as it was lying in a

TRIED TO LYNCH NEGRO

Texas Negro Assaults 10-Year-Old
Girl and Narrowly Escapes
Being Mobbed.

Sulphur Springs, Texas., Feb. 21.—
A negro about 24 years of age, nam-
ed Hooker Finney, was brought here
from Como, charged with criminal as-
sault upon the 10-year-old daughter
of Dr. M. C. Lynch of Como, in this
county. The negro was taken before
the Grand Jury (now in session) Sat-
urday night. He pleaded guilty and
was spirited away by Sheriff Smith.
This all occurred in the early part
of the night, and later a crowd of sev-
enty-five or one hundred men on
horseback called at the jail and de-
manded the negro. After being shown
through the jail they quietly left
town. All was so quietly done that
nothing was known about it only by
those engaged in the trial and at the
jail until this morning.

Wednesday evening, at Como, ten
miles east of Sulphur Springs, a re-
volting crime was attempted. Sus-
picious rested upon a negro boy who
had long been an employee of the fam-
ily. The little girl was about 10 years
old. During the night the child a-
woke, screaming that some one was
hurting her with his arms. The ne-
gro then quickly slipped out of the
house and the true situation was dis-
covered.

The attempt of the negro to manu-
facture evidence as to his where-
abouts led to his arrest and imprison-
ment here. The Grand Jury, being
in session, found a bill and in a few
hours the negro pleaded guilty and
was sentenced to ninety-nine years in
the penitentiary.

The Sheriff and a Deputy immedi-
ately conveyed him by private con-
veyance ten miles west of Sulphur
Springs and thence by train to Dal-
las.

About one hour and thirty min-
utes after the Sheriff left perhaps
two hundred men from Como arrived
at the jail and demanded entrance
and went through the jail, but not
finding the negro they attempted to
telephone to cut him off, but failing
in this, they quietly dispersed.

So quietly was the formation of
the mob at Como, and so quietly did
the officers carry out their plans,
that not one of the citizens of Sul-
phur Springs knew anything what-
ever of the occurrence.

SERVICES AT THE CHRISTIAN CHURCH

REV. LEROY M. ANDERSON OCCUPIES PULPIT

Preaches Two Sermons Yesterday and Will Continue Meeting Until Wednesday.

The pulpit of the Christian church was occupied last night by Rev. Leroy M. Anderson of Honey Grove, Texas. This is the first time for several weeks that there has been services at this church and following the announcement that Rev. Anderson would preach two times during yesterday, brought out a large attendance at each meeting. Much interest was created at the services and three members were taken into the church.

The subject at last night's meeting was: "Throngers and Touchers," and was handled in a masterly manner by Rev. Anderson.

The subject of the sermon tonight will be "The Man Who Missed by One" and is expected to bring out a large attendance.

The services of meetings will continue until— including— Wednesday night, and possibly longer. The members of the church are highly pleased with the interest and results after but two services and are sure each meeting will increase with interest.

Values Advertising

Rev. Anderson, knowing the value of advertising in connection with church work as well as anything else, called at the Evening News office this morning and contracted for an advertisement which appears in today's issue. One reason why he is a firm believer in printer's ink is owing to the fact that for fifteen years he was the proprietor of a large printing establishment in Denison, Texas. He is a brilliant man and is known as a strong representative of his church.

A MERRY QUARTETTE

Nearer, my post office, to thee;
Nearer to Thee.
E'en tho' it be a Billy Taft that raises me;
Still all my song shall be,
Nearer, my post office, to Thee;
To Thee, nearer to Thee.

Was the familiar and sweet refrain that Judge Ulysses G. Winn heard over the phone at the hour of 3 o'clock Sunday morning, after he had been awakened by the clamoring bell and in responding had fallen over three chairs, stumbled his toe and broken a lamp chimney.

Washington Birthday Features

Another great subject at the Pastime Tuesday a grand patriotic program featuring "Washington Under the American Flag." The father of our country in war and in peace. With each admission we will give a small memento, something admired by all.

TO THE PUBLIC.

Having purchased the interest of my partner, T. J. Daugherty, in the hardware business formerly conducted under the firm name of "Collins & Daugherty," we will continue in business at the old stand in the J. K. Reed building, on the South side of Main street, in the City of Ada, Oklahoma.

We wish to thank our friends and patrons for all past favors and hope to merit and receive their continued patronage.

We expect to carry a complete line of hardware, and try to please you by meeting all honest competition, and by giving you just and honest treatment at all times. We would like to see you at our store and promise you value received for every dollar spent with us.

Believing that we can serve our customers better and save them money by doing so, we will, beginning March 1st, 1910, sell for cash only, except builders hardware which we will carry on account until building upon which it is being used is completed.

We do this not because we have lost faith in our fellow men, but because it will permit us to pay cash for our goods, and take the discount on our bills, thereby enabling us to give our patrons lower prices than we could do and run a credit business.

Mr. Wardlow will remain with us, and every body knows that they get a square deal when they trade with "Tobe."

Our motto shall be, "Low Prices and a Square Deal for Cash."

Yours very truly,
J. M. COLLINS.

THE DOCTOR'S QUESTION

Some Advice Against the Use of Harsh Purgatives and Physics

A doctor's first question when consulted by a patient is, "Are your bowels regular?" He knows that 98 per cent of illness is attended with inactive bowels and torpid liver. This condition poisons the system with waste matter and causes accumulation of gases which must be removed through the bowels before health can be restored.

Salts, ordinary pills and cathartics may be truly likened to dynamite. Through their harsh, irritating action they force a passage through the bowels, causing pain and damage to the delicate intestinal structure which weakens the whole system, and at best only produces temporary relief. The repeated use of such treatments causes chronic irritation of the stomach and bowels, dries and hardens their tissues, deadens their nerves, stiffens their muscles and generally brings about an injurious habit which sometimes has almost, if not fatal results.

We have a pleasant and safe remedy for constipation and bowel disorders in general. We are so certain of its great curative value that we promise to return the purchaser's money in every case where it fails to produce entire satisfaction. This remedy is called Rexall Orderlies. We urge you to try them at our entire risk.

Rexall Orderlies are eaten like candy, they act quickly and have a soothing, strengthening, healing, regulative influence on the entire intestinal tract. They do not purge, gripe, cause nausea, flatulence, excessive looseness, diarrhoea or other annoying effects, and they may be taken at any time without inconvenience.

Rexall Orderlies overcome the drugging habit and safely remedy constipation and associate ailments, whether acute or chronic, except in surgical cases. They are especially good for children, weak persons or old folks. Price, 36 tablets 25 cents, and 12 tablets 10 cents. Remember you can obtain Rexall Remedies in Ada only at our store—The Rexall Store, The Gwin & Mays Co., West Main St.

MAY CALL ANOTHER SPECIAL SESSION

GOV. HASKELL WANTS FEES AND SALARY LAW ENACTED

Judicial Districts Will be Changed—
Smith Salary Bill Having
Hard Time

Guthrie, Ok., Feb. 21.—If the Legislature adjourns without enacting a fee and salary bill it will be immediately recovered in a second extraordinary session. Such is said to have been the ultimatum of Gov. Haskell when informed by members

that they feared the present session was not in the mood to tamper with existing conditions, as they affected county and district offices, unless the basis for salaries out of fees collected could be placed considerably higher than pending bills proposed. The Governor gave his positive assurance that this was one recommendation he made that had to be followed or a new call would be issued within three minutes from the final adjournment.

Lobbyists Are Busy

No secret is made of the belief among members that up to this time the legislation has been retarded by lobbyists alleged to be here for the purpose of controlling it. The issue was squarely presented in a Senate resolution offered Saturday by Senator Smith of Duncan, author of the fee and salary bill, publicly calling attention to the lobbyists and invoking the Senate's condemnation. The resolution declares that "such acts and practices are not only against

public policy, but in direct contravention of the spirit and the letter of the acts of the Legislature, and that we condemn in unmeasured terms the acts, practices and apparent purposes for which such persons are now congregated in the city of Guthrie."

Since the resolution provoked discussion it went over under the rules until Monday, when the Duncan Senator insists he will call for its adoption.

Want Salaries Increased.

The Smith bill is pending before the Democratic caucus with a committee report giving the salary basis a slight lift, which has drawn to the bill's support in the Senate its heretofore most active opponents. There is every reason for believing the Senate will finish with the bill this week, but a troublesome time awaits it in the House. Mr. Durham of Pottawatomie County has a substitute to offer, and other members have their ideas as to the basis of compensation, which, like in the Senate, is the chief feature of difference. House Democrats believe, however, the situation can be made harmonious by following the Senate's plan of giving the legislation detail consideration in caucus, where the unit rule prevails, and an attempt will be made to do this.

Fees and salaries was one of the two main reasons for calling the extra session. Gov. Haskell advised in his message that county and district officers should be considered upon a fair compensation, but is said to have left with the Legislature as to how far the changes should go. Those close to the Governor, however, have urged a basis in excess of that provided in the Smith bill, the graduation being at leaps of 10,000 population, whereas the Smith bill does this by steps of 100.

Will Change Judicial Districts

During the week it is also expected the bill redistricting the State judicially will be passed in the Senate. This reduces the number of judicial districts with an increase of one

Judge over the present number. The changes are also said to insure more Democratic Districts. Already several visiting delegations have been here protesting against the changes.

Senator Russell hopes to secure House action Tuesday on the New Jerusalem bill, which is pending with minority favorable and majority unfavorable committee reports. The bill went on the calendar without recommendation from the House. A delegation from the Farmer's Union convention, recently held in Shawnee, was here for several days advocating passage of the bill as well as a joint resolution which will submit it to a vote of the people at the coming general election.

MORE PURSE GRAB-BING AT CAIRO

NEGOES ARE STILL SNATCHING PURSESE

Militia Guarding Sheriff—Blacks Make Insulting Remarks at Funeral

Cairo, Ill., Feb. 21.—Police officers are searching the city tonight for a negro suspected of purse snatching and another clash between the authorities and the citizens is feared if the man is caught.

Feeling is still running high against the negroes, and intensity was added to this sentiment this afternoon when negroes, it is charged, made insulting gestures at the persons in the funeral procession that was following the body of Alexander Halliday, killed Thursday night in an attack on the jail to the cemetery.

Claim Negroes Act Insultingly Nearly 600 persons attended Halliday's funeral and accompanied the body to Mounds, Ill., on a special train. As the train was passing through the negro district east of Cairo negroes collected to watch its passage. At Thirty-First street, members of the funeral party charge, an insulting demonstration was made.

An effort was made to organize a party on the train during the return trip to wreak summary revenge on the negroes, but no disturbance resulted. An unidentified man created a disturbance at the cemetery by demanding permission to make a speech over the grave, but he was hurried away. He said he was a friend of Halliday and that he had been run out of town by the police.

Police Hunting Purse-Grabber The negro police are after tonight is believed to have been associated with John Pratt, the negro who escaped lynching by the Sheriff defending the jail. If he is caught an effort may be made to take him away from the police militia petao away from the police before the militia can interfere. The militia patrols the streets tonight. Several small crowds were dispersed throughout the day.

Future Outbreaks Feared The bitterness of feeling against the negroes is manifested in threats and rumors of future demonstrations. Women generally are carrying revolvers and are urging their husbands and male relatives to shoot to kill if attacked. The special Grand Jury which has been expected to investigate the riot probably will be dissolved tomorrow. Judge Butner, who instructed the jury, conferred with Sheriff Nellis today and later announced he would decide whether a new jury is necessary. There are four negroes on the jury.

Sheriff's Home Guarded The home of Sheriff Nellis is guarded by militia and he is given a militia escort when he leaves the court house. Feeling is against him for appointing negro deputies and allowing Halliday's body to lie in the front of the jail three hours. Adjt. Gen. Dickson, Gov. Deane's personal representative, declares that Sheriff Nellis was not ordered by the Governor to permit the body to lie on the ground.

Sheriff's Wife Prostrate Mrs. Nellis, wife of the Sheriff, collapsed this morning under the strain, and is now under the care of a doctor. She is one of the women who are carrying revolvers.

The ministers in their pulpits today united in urging the citizens to support the law. The Rev. Frank Thompson of the First Christian church said:

"No American whose heart is filled with passion for the Commonwealth can approve mob law, yet things have occurred here which, if they had not moved Cairo's brave men to deeds of daring and desperate deeds, and Cairo's fair women to tears, would have lowered them to the level of the unfeeling ox, which calmly feeds as his comrade suffers or dies."

This is a way to the feeling in Cairo among the masses. Many militia officers Company H of Shelbyville of the

Illinois National Guard was tonight ordered to report here by Adjt. Gen. Dickson. The Shelbyville company will arrive tomorrow on a special train.

Adjt. Gen. Dickson and Sheriff Nellis conferred tonight, and the ordering of the additional militiamen was the result.

Adjt. Gen. Dickson nor Sheriff Nellis would say that any particular trouble is expected. They say that additional militiamen were ordered as a precautionary measure.

If the verdict of the Coroner's jury at the inquest which will be resumed tomorrow names a negro Deputy Sheriff as being responsible for the death of Alexander Halliday, it is believed that an effort will be made to harm the deputy.

Sleeping Passengers on Pennsylvania Limited Severely Jolted.

Pittsburg, Pa., Feb. 21.—Pennsylvania train No. 30, which makes New York in twenty-four hours from St. Louis, was making a fast run over a level stretch of the Panhandle division, when five of its six cars jumped the track a mile west of Scio, Ohio, at 8 o'clock today.

The passengers, most of whom were enjoying a late Sunday morning sleep, were shaken from their berths and some suffered from the shock, but none was injured seriously. They took another train for New York. Railroad officials believe a broken rail caused the wreck.

INSTITUTES LARGELY ATTENDED.

The reports from Superintendent
of Institutes, J. C. Elliott, to the
State Board of Agriculture, on an
annual institute meetings recently held
in Claremore, Vinita, Pryor Creek and
Broken Arrow, show conclusively
that the farmers and business men
of that section of the state recognize
in the County Institute system one
of the very best agencies for the or-
ganization of the people for the pur-
poses of development in both an ed-
ucational and material way. The paid
membership of many of the County
Institutes in that part of the State
has already reached several hundred,
and the organizations are less than
two years old.

Tulsa County, in which Broken Ar-
row is located, has, perhaps, the
largest paid membership in the State,
and much of this splendid showing
has been made possible by the hearty
co-operation which the organization
has received from the Tulsa Chamber
of Commerce and the business men
of Broken Arrow. So thoroughly has
the institute interest spread that resolu-
tions were adopted at the meeting
just held providing for an annual in-
stitute fair to be held at Broken Ar-
row, and it has been made a perma-
nent feature. Many other counties in
every section of the State are fully
alive to the importance of the County
Institute, and special meetings are be-
ing held in several of the counties
this month and next.

In Major County the institute meet-
ings have been characterized by un-
usual spirit and enterprise, and a spe-
cial meeting of two days held on
Monday and Tuesday of this week
embraced a splendid progress and
delightful dinners served by the La-
dies' Auxiliary of the Institute.

These meetings are non-partisan
and non-sectarian and their primary
purpose is to afford the men and wo-
men who are interested in agriculture
and its kindred industries an oppor-
tunity to meet and interchange ex-
periences and hear and discuss the
latest developments in agricultural
and industrial science. Aside from the
social and neighborly features of these
gatherings the Institute can be prop-
erly classed as college extension work
for the benefit of the men and women
who have passed beyond the school
attendance age, but who are more
vitaly interested than any one else
in the progressive development of every
department of farm life.

What has been done in the way
of building up strong and progressive
organizations in Tulsa, Major, Craig,
Kay, Rogers, Mayes and many other
counties of the State under the new
Institute law can be done in all the
counties of the State when once the

purpose of the Institute is understood
and the business men of the town and
cities lend their co-operation to the
progressive men and women who really
represent the modern, down-to-
date farm life of the new State.—

NEW YORK STATE SCANDAL GROWING

LEADERS WORKED UP OVER PRO-
CEEDINGS

Committee to Look Into Doings of
Legislature—More Sensations
Are Due

Albany, N. Y., Feb. 21.—With the
Republican party managers deeply ex-
ercised over the bribery scandal of
the days of the blackhorse cavalry
and the air surcharged with reports
that as the probe goes on it will
strike the living as well as the dead,
the Allds trial will on Tuesday enter
upon its third week.

Nothing in the last ten years has
disturbed the Republican State lead-
ers as has the Allds case up to date,
and the distress of the leaders is
heightened by the prospect that more
skeletons will be dragged from the
political garret as the inquiry con-
tinues.

Already Albany has had more thrill
and bombshells than it has ever
known during a single session of the
Legislature, at least in the memory
of legislators now here, and the end
is by no means in sight. In fact, the
fever of investigation has seized of-
ficial Albany, and before it has finish-
ed its course the prediction is made
that there will be many victims, some
of them not yet even hinted.

The Republicans have taken the
initial step in a sweeping inquiry in
the appointment of a joint committee
to investigate the acts of the Legis-
lature of 1907, when the acts of
bribery are alleged to have been com-
mitted, and 1902, 1903, 1904 and 1905,
in all of which years with the excep-
tion of 1904, there was a corruption
fund raised by the bridge combine, ac-
cording to Senator Conger's testi-
mony.

There is much speculation as to
how far-reaching this subsequent in-
quiry may be. Orders already given
indicate that the supplemental in-
vestigation will take up incidents con-
nected with other corruption funds
than those raised by the bridge com-
panies.

CHARGES ARE DISMISSED

Secretary Ballinger Does Not Find
Enough Evidence to Fire
Benedict

Washington, Feb. 21.—Secretary
Ballinger of the Interior Department
today dismissed the charges of mis-
conduct in office against John D.
Benedict, superintendent, and Calvin
Ballard, Frederick H. Umholtz and
Walter Fairwell, supervisor of Indian
Schools in Oklahoma. The charges
were filed several weeks ago and have
been thoroughly investigated by of-
ficials of the Indian Bureau. Pending
the investigation the men were sus-
pended. They will not be reinstated
for the reason that their positions
will be abolished. Secretary Ballinger
said this afternoon:

"Investigation has disclosed the
fact that the evidence was not suf-
ficient to warrant the dismissal of
any of those officers; however, de-
fects in their system under which
they were working made a change
necessary. In view of the fact that
the Indian office has the equipment
and capacity to carry on this edu-
cational work, it was deemed advis-
able to place the entire matter un-
der the control of the Commissioner
of Indian Affairs and abolish the po-
sitions March 1. Supervisor Lipp of
the Indian service, who relieved Su-
perintendent Benedict upon his sus-
pension, has been directed to remain
temporarily in charge of the schools
pending the reorganization by the
Commissioner of Indian Affairs.

Superintendent Benedict and the
superintendents were today notified by
Secretary Ballinger of his action.

SENATOR TILLMAN IS BETTER

Regains Power of Speech and General
Improvement Is Noticed, Says
Bulletin.

Washington, Feb. 21.—Favorable in-
dications showed themselves today in
the condition of Senator Tillman. The
initial symptoms which caused his
partial paralysis and loss of speech
have abated and improvement has
commenced, according to a bulletin is-
sued late this afternoon by the three
attending physicians. Today he re-
cognized and called by name one
of the physicians, a man whom he
had seen but one time before. At
noon today the Senator had spoken
but two words since he was stricken
last Thursday, but today when the
family physician entered his face
brightened as he recognized him, and
he said:

"Hello, doctor."
A little later the physician said
to the senator:
"I don't suppose you remember
me."
"Yes, I do," replied Mr. Tillman,
"you are Dr. White."

The doctors consider this return
of speech most favorable and they en-
certain no doubts now as to the pa-
tient's full recovery of his speech.
The senator passed a comfortable
night and awakened this morning
soon after the physicians arrived.
Following is the bulletin.

"The senator's condition is as fa-
vorable as could be expected. The in-
itial symptoms have abated and im-
provement is expected. The distur-
bance of speech is less marked, pulse
72 temperature normal and he is
resting comfortably. There are no in-
dications pointing to the probability
of unfavorable developments at this
time."

contemplated I do not know any-
thing about it," said I. McNair, agent
of the Frisco, today when asked
whether the Frisco intended to put
the 3 cent fare in effect again.

TRIED TO LYNCH NEGRO

Texas Negro Assaults 10-Year-Old
Girl and Narrowly Escapes
Being Mobbed.

Sulphur Springs, Texas, Feb. 21.—
A negro about 24 years of age, named
Hooker Finney, was brought here
from Como, charged with criminal as-
sault upon the 10-year-old daughter
of Dr. M. C. Lynch of Como, in this
county. The negro was taken before
the Grand Jury (now in session) Sat-
urday night. He pleaded guilty and
was spirited away by Sheriff Smith.
This all occurred in the early part of
the night, and later a crowd of sev-
enty-five or one hundred men on
horseback called at the jail and de-
manded the negro. After being shown
through the jail they quietly left
town. All was so quietly done that
nothing was known about it only by
those engaged in the trial and at the
jail until this morning.

Wednesday evening, at Como, ten
miles east of Sulphur Springs, a re-
volting crime was attempted. Sus-
picious rested upon a negro boy who
had long been an employee of the fam-
ily. The little girl was about 10 years
old. During the night the child a-
woke, screaming that some one was
hurling her with his arms. The ne-
gro then quickly slipped out of the
house and the true situation was dis-
covered.

The attempt of the negro to manu-
facture evidence as to his where-
abouts led to his arrest and imprison-
ment here. The Grand Jury, being
in session, found a bill and in a few
hours the negro pleaded guilty and
was sentenced to ninety-nine years in
the penitentiary.

The Sheriff and a Deputy immedi-
ately conveyed him by private con-
veyance ten miles west of Sulphur

Springs and thence by train to Dal-
las.

About one hour and thirty min-
utes after the Sheriff left perhaps
two hundred men from Como arrived
at the jail and demanded entrance
and went through the jail, but not
finding the negro they attempted to
telephone to cut him off, but failing
in this, they quietly dispersed.

So quietly was the formation of
the mob at Como, and so quietly did
the officers carry out their plans,
that not one of the citizens of Sul-
phur Springs knew anything what-
ever of the occurrence.

SERVICES AT THE CHRISTIAN CHURCH

REV. LEROY M. ANDERSON OCCUPIES PULPIT

Preaches Two Sermons Yesterday and Will Continue Meeting Until Wednesday.

The pulpit of the Christian church was occupied last night by Rev. Leroy M. Anderson of Honey Grove, Texas. This is the first time for several weeks that there has been services at this church and following the announcement that Rev. Anderson would preach two times during yesterday, brought out a large attendance at each meeting. Much interest was created at the services and three members were taken into the church.

The subject at last night's meeting was: "Throngers and Touchers," and was handled in a masterly manner by Rev. Anderson.

The subject of the sermon tonight will be: "The Man Who Missed by One" and is expected to bring out a large attendance.

The services of meetings will continue until—Wednesday night, and possibly longer. The members of the church are highly pleased with the interest and results after two services and are sure each meeting will increase with interest.

Values Advertising

Rev. Anderson, knowing the value of advertising in connection with church work as well as anything else, called at the Evening News office this morning and contracted for an advertisement which appears in today's issue. One reason why he is a firm believer in printer's ink is owing to the fact that for fifteen years he was the proprietor of a large printing establishment in Denison, Texas. He is a brilliant man and is known as a strong representative of his church.

A MERRY QUARTETTE

Nearer, my post office, to thee;
Nearer to Thee.
Even tho' it be a Billy Taft that raises me;
Still all my song shall be,
Nearer, my post office, to Thee;
To Thee, nearer, to Thee.
Was the familiar and sweet refrain that Judge Ulysses G. Winn heard over the phone at the hour of 3 o'clock Sunday morning, after he had been awakened by the clanging bell and in responding had fallen over three chairs, stamped his toe and broken a lamp chimney.

Washington Birthday Features
Another great subject at the Pastime Tuesday a grand patriotic program featuring "Washington Under the American Flag." The father of our country in war and in peace. With each admission we will give a small memento, something admired by all.

TO THE PUBLIC.

Having purchased the interest of my partner, T. J. Daugherty, in the hardware business formerly conducted under the firm name of "Collins & Daugherty," we will continue in business at the old stand in the J. K. Reed building, on the South side of Main street, in the City of Ada, Oklahoma.

We wish to thank our friends and patrons for all past favors and hope to merit and receive their continued patronage.

We expect to carry a complete line of hardware, and try to please you by meeting all honest competition, and by giving you just and honest treatment at all times. We would like to see you at our store and promise you value received for every dollar spent with us.

Believing that we can serve our customers better and save them money by doing so, we will, beginning March 1st, 1910, sell for cash only, except builders hardware which we will carry on account until building upon which it is being used is completed.

We do this not because we have lost faith in our fellow men, but because it will permit us to pay cash for our goods, and take the discount on our bills, thereby enabling us to give our patrons lower prices than we could do and run a credit business.

Mr. Wardlow will remain with us, and every body knows that they get a square deal when they trade with "Tobe."

Our motto shall be, "Low Prices and a Square Deal for Cash."

Yours very truly,
J. M. COLLINS.

THE DOCTOR'S QUESTION

Some Advice Against the Use of Harsh Purgatives and Physics.
A doctor's first question when consulted by a patient is, "Are your bowels regular?" He knows that 98 per cent of illness is attended with inactive bowels and torpid liver. This condition poisons the system with waste matter and causes accumulation of gases which must be removed through the bowels before health can be restored.

Salts, ordinary pills and cathartics may be truly likened to dynamite. Through their harsh, irritating action they force a passage through the bowels, causing pain and damage to the delicate intestinal structure which weakens the whole system, and at best only produces temporary relief. The repeated use of such treatments causes chronic irritation of the stomach and bowels, dries and hardens their tissues, deadens their nerves, stiffens their muscles and generally brings about an injurious habit which sometimes has almost, if not fatal results.

We have a pleasant and safe remedy for constipation and bowel disorders in general. We are so certain of its great curative value that we promise to return the purchaser's money in every case where it fails to produce entire satisfaction. This remedy is called Rexall Orderlies. We urge you to try them at our entire risk.

Rexall Orderlies are eaten like candy, they act quickly and have a soothing, strengthening, healing, regulative influence on the entire intestinal tract. They do not purge, gripe, cause nausea, flatulence, excessive looseness, diarrhoea or other annoying effects, and they may be taken at any time without inconvenience.

Rexall Orderlies overcome the drugging habit and safely remedy constipation and associate ailments, whether acute or chronic, except in surgical cases. They are especially good for children, weak persons or old folks. Price, 36 tablets 25 cents, and 12 tablets 10 cents. Remember you can obtain Rexall Remedies in Ada only at our store—The Rexall Store. The Gwin & Mays Co., West Main St.

MAY CALL ANOTHER SPECIAL SESSION

GOV. HASKELL WANTS FEES AND SALARY LAW ENACTED

Judicial Districts Will be Changed—Smith Salary Bill Having Hard Time

Guthrie, Ok., Feb. 21.—If the Legislature adjourns without enacting a fee and salary bill it will be immediately reconvened in a second extraordinary session. Such is said to have been the ultimatum of Gov. Haskell when informed by members

that they feared the present session was not in the mood to tamper with existing conditions, as they affected county and district offices unless the basis for salaries out of fees collected could be placed considerably higher than pending bills proposed. The Governor gave his positive assurance that this was one recommendation he made that had to be followed or a new call would be issued within three minutes from the final adjournment.

Lobbyists Are Busy
No secret is made of the belief among members that up to this time the legislation has been retarded by lobbyists alleged to be here for the purpose of controlling it. The issue was squarely presented in a Senate resolution offered Saturday by Senator Smith of Duncan author of the fee and salary bill publicly calling attention to the lobbyists and invoking the Senate's condemnation. The resolution declares that such acts and practices are not only against

public policy but in direct contravention of the spirit and the letter of the acts of the Legislature, and that we condemn in unmeasured terms the acts, practices and apparent purposes for which such persons are now congregated in the city of Guthrie.

Since the resolution provoked discussion it went over under the rules until Monday, when the Duncan Senator insists he will call for its adoption.

Want Salaries Increased.
The Smith bill is pending before the Democratic caucus with a committee report giving the salary basis a slight lift which has drawn to the bill's support in the Senate its heretofore most active opponents. There is every reason for believing the Senate will finish with the bill this week, but a troublesome time awaits it in the House. Mr. Durham of Pottawatomie County has a substitute to offer, and other members have their ideas as to the basis of compensation, which like in the Senate is the chief feature of difference. House Democrats believe however the situation can be made harmonious by following the Senate's plan of giving the legislation detail consideration in caucus, where the unit rule prevails, and an attempt will be made to do this.

Fees and salaries was one of the two main reasons for calling the extra session Gov. Haskell advised in his message that county and district officers should be considered upon a fair compensation but is said to have left with the Legislature as to how far the changes should go. Those close to the Governor how ever have urged a basis in excess of that provided in the Smith bill the graduation being at leaps of 10,000 population whereas the Smith bill does this by steps of 200.

Will Change Judicial Districts
During the week it is also expected the bill redistricting the State judicially will be passed in the Senate. This reduces the number of judicial districts with an increase of one.

Judge over the present number. The changes are also said to insure more Democratic Districts. Already several visiting delegations have been here protesting against the changes.

Senator Russell hopes to secure House action Tuesday on the New Jerusalem bill, which is pending with minority favorable and majority unfavorable committee reports. The bill went on the calendar without recommendation from the House. A delegation from the Farmers Union convention, recently held in Shawnee was here for several days advocating passage of the bill as well as a joint resolution which will submit it to a vote of the people at the coming general election.

MORE PURSE GRAB-BING AT CAIRO

NEGOES ARE STILL SNATCHING PURSESE

Militia Guarding Sheriff—Blacks Make Insulting Remarks at Funeral

Cairo, Ill., Feb. 21.—Police officers are searching the city tonight for a negro suspected of purse snatching and another clash between the authorities and the citizens is feared if the man is caught.

Feeling is still running high against the negroes, and intensity was added to this sentiment this afternoon when negroes, it is charged, made insulting gestures at the persons in the funeral procession that was following the body of Alexander Halliday, killed Thursday night in an attack on the jail to the cemetery.

Claim Negroes Act Insultingly

Nearly 600 persons attended Halliday's funeral and accompanied the body to Mounds, Ill., on a special train. As the train was passing through the negro district east of Cairo negroes collected to watch its passage. At Thirty-First street, members of the funeral party charge, an insulting demonstration was made. An effort was made to organize a party on the train during the return trip to wreak summary revenge on the negroes, but no disturbance resulted. An unidentified man created a disturbance at the cemetery by demanding permission to make a speech over the grave, but he was hurried away. He said he was a friend of Halliday and that he had been run out of town by the police.

Police Hunting Purse-Grabber

The negro police are after tonight is believed to have been associated with John Pratt, the negro who escaped lynching by the Sheriff defending the jail. If he is caught an effort may be made to take him away from the police militia petao away from the police before the militia can interfere. The militia patrols the streets tonight. Several small crowds were dispersed through out the day.

Future Outbreaks Feared

The bitterness of feeling against the negroes is manifested in threats and rumors of future demonstrations. Women generally are carrying revolvers and are urging their husbands and male relatives to shoot to kill if attacked. The special Grand Jury which has been expected to investigate the riot probably will be dissolved tomorrow. Judge Butner, who instructed the jury, conferred with Sheriff Nellis today and later announced he would decide whether a new jury is necessary. There are four negroes on the jury.

Sheriff's Home Guarded

The home of Sheriff Nellis is guarded by militia and he is given a militia escort when he leaves the court house. Feeling is against him for appointing negro deputies and allowing Halliday's body to lie in the front of the jail three hours. Adjt. Gen. Dickson, Gov. Deneen's personal representative, declares that Sheriff Nellis was not ordered by the Governor to permit the body to lie on the ground.

Sheriff's Wife Prostrate

Mrs. Nellis, wife of the Sheriff, collapsed this morning under the strain, and is now under the care of a doctor. She is one of the women who are carrying revolvers.

The ministers in their pulpits today united in urging the citizens to support the law. The Rev. Frank Thompson of the First Christian church said:

"No American whose heart is filled with passion for the Commonwealth can approve mob law, yet things have occurred here which, if they had not moved Cairo's brave men to deeds—daring and desperate deeds—and Cairo's fair women to tears, would have lowered them to the level of the unfeeling ox, which calmly feeds as his comrade suffers or dies."

This is a way is the feeling in Cairo among the masses. New Hope, Okla., Feb. 21.—Company B of Shelbyville of the

Illinois National Guard was tonight ordered to report here by Adjt. Gen. Dickson. The Shelbyville company will arrive tomorrow on a special train.

Adjt. Gen. Dickson and Sheriff Nellis conferred tonight, and the ordering of the additional militiamen was the result.

Adjt. Gen. Dickson nor Sheriff Nellis would say that any particular trouble is expected. They say that additional militiamen were ordered as a precautionary measure.

If the verdict of the Coroner's jury at the inquest which will be resumed tomorrow names a negro Deputy Sheriff as being responsible for the death of Alexander Halliday, it is believed that an effort will be made to harm the deputy.

FAST TRAIN DERAILED.

Sleeping Passengers on Pennsylvania Limited Severely Jolted.

Pittsburg, Pa., Feb. 21.—Pennsylvania train No. 30, which makes New York in twenty-four hours from St. Louis, was making a fast run over a level stretch of the Panhandle division, when five of its six cars jumped the track a mile west of Scio, Ohio, at 8 o'clock today.

The passengers, most of whom were enjoying a late Sunday morning sleep, were shaken from their berths and some suffered from the shock, but none was injured seriously. They took another train for New York. Railroad officials believe a broken rail caused the wreck.

ARDMORE'S CIVIC PRIDE.

TWO CAR PASSENGERS DEAD

Blowing Out of a Fuse on El Paso Street Car Responsible for Fatal Frigate

El Paso, Texas, Feb. 21.—Crazed by fright caused by the blowing out of a fuse on an Arizona street car at eight o'clock last night as it was passing Hotel Dieu, several passengers leaped from the fast moving car and two were instantly killed and one fatally injured and a number slightly hurt.

A. G. Smith, aged 32 years, who recently moved here from Big Springs, struck on his head and was instantly killed, his skull being crushed and his neck broken. He is survived by a wife and two children, the youngest just one week old.

Miss Maggie Riley of Canada, who was here on a visit to her sister, Mrs. J. L. Laurie, struck on her head. Her neck was broken and she died before she could be taken into the hospital, near which the accident occurred.

An unknown man, supposed from papers in his pocket, to be W. H. Weldon of Ashland, Kan., sustained a fracture of the skull and is believed to be fatally injured.

Several others are known to be slightly injured.

The car was crowded, but nobody that remained on it was hurt.

INSTITUTES LARGELY ATTENDED.

The reports from Superintendent
of Institutes, J. C. Elliott, to the
State Board of Agriculture, on an-
nual institute meetings recently held
in Claremore, Vinita, Pryor Creek and
Broken Arrow, show conclusively
that the farmers and business men
of that section of the state recognize
in the County Institute system one
of the very best agencies for the or-
ganization of the people for the pur-
poses of development in both an ed-
ucational and material way. The paid
membership of many of the County
Institutes in that part of the State
has already reached several hundred,
and the organizations are less than
two years old.

Tulsa County, in which Broken Ar-
row is located, has, perhaps, the
largest paid membership in the State,
and much of this splendid showing
has been made possible by the hearty
co-operation which the organization
has received from the Tulsa Chamber
of Commerce and the business men of
Broken Arrow. So thoroughly has the
institute interest spread that resolu-
tions were adopted at the meeting
just held providing for an annual in-
stitute fair to be held at Broken Ar-
row, and it has been made a perma-
nent feature. Many other counties in
every section of the State are fully
alive to the importance of the County
Institute, and special meetings are be-
ing held in several of the counties
this month and next.

In Major County the Institute meet-
ings have been characterized by un-
usual spirit and enterprise, and a spe-
cial meeting of two days held on
Monday and Tuesday of this week
embraced a splendid progress and
delightful dinners served by the Lad-
ies' Auxiliary of the Institute.

These meetings are non-partisan
and non-sectarian and their primary
purpose is to afford the men and wo-
men who are interested in agriculture
and its kindred industries an oppor-
tunity to meet and interchange ex-
periences and hear and discuss the
latest developments in agricultural
and industrial science. Aside from the
social and neighborly features of these
gatherings the Institute can be prop-
erly classed as college extension work
for the benefit of the men and women
who have passed beyond the school
attendance age, but who are more
vitaly interested than any one else
in the progressive development of every
department of farm life.

What has been done in the way of
building up strong and progressive
organizations in Tulsa, Major, Craig,
Kay, Rogers, Mayes and many other
counties of the State under the new
institute law can be done in all the
counties of the State when once the

purpose of the institute is understood
and the business men of the town and
cities lend their co-operation to the
progressive men and women who real-
ly represent the modern, down-to-
date farm life of the new State.—

NEW YORK STATE SCANDAL GROWING

LEADERS WORKED UP OVER PRO- CEEDINGS

Committee to Look into Doings of
Legislature—More Sensations
Are Due

Albany, N. Y., Feb. 21.—With the
Republican party managers deeply ex-
ercised over the bribery scandal of
the days of the blackhorse cavalry
and the air surcharged with reports
that as the probe goes on it will
strike the living as well as the dead,
the Allds trial will on Tuesday enter
upon its third week.

Nothing in the last ten years has
disturbed the Republican State lead-
ers as has the Allds case up to date,
and the distress of the leaders is
heightened by the prospect that more
skeletons will be dragged from the
political garret as the inquiry con-
tinues.

Already Albany has had more thrill
and bombshells than it has ever
known during a single session of the
Legislature, at least in the memory
of legislators now here, and the end
is by no means in sight. In fact, the
fever of investigation has seized of-
ficial Albany, and before it has finish-
ed its course the prediction is made
that there will be many victims, some
of them not yet even hinted.

The Republicans have taken the
initial step in a sweeping inquiry in
the appointment of a joint committee
to investigate the acts of the Legis-
lature of 1901, when the acts of
bribery are alleged to have been com-
mitted, and 1902, 1903, 1904 and 1905,
in all of which years with the excep-
tion of 1904, there was a corruption
fund raised by the bridge combine, ac-
cording to Senator Conger's testi-
mony.

There is much speculation as to
how far-reaching this subsequent in-
quiry may be. Orders already given
indicate that the supplemental inves-
tigation will take up incidents con-
nected with other corruption funds
than those raised by the bridge com-
panies.

CHARGES ARE DISMISSED

Secretary Ballinger Does Not Find
Enough Evidence to Fire
Benedict

Washington, Feb. 21.—Secretary
Ballinger of the Interior Department
today dismissed the charges of mis-
conduct in office against John D.
Benedict, superintendent, and Calvin
Ballard, Frederick H. Umboltz and
Walter Falwell, supervisor of Indian
Schools in Oklahoma. The charges
were filed several weeks ago and have
been thoroughly investigated by of-
ficials of the Indian Bureau. Pending
the investigation the men were sus-
pended. They will not be reinstated
for the reason that their positions
will be abolished. Secretary Ballinger
said this afternoon:

"Investigation has disclosed the
fact that the evidence was not suf-
ficient to warrant the dismissal of
any of those officers; however, de-
fects in their system under which
they were working made a change
necessary. In view of the fact that
the Indian office has the equipment
and capacity to carry on this edu-
cational work, it was deemed advis-
able to place the entire matter un-
der the control of the Commissioner
of Indian Affairs and abolish the
positions March 1. Supervisor Lipp
of the Indian service, who relieved Su-
perintendent Benedict upon his sus-
pension, has been directed to remain
temporarily in charge of the schools
pending the reorganization by the
Commissioner of Indian Affairs.
Superintendent Benedict and the
supervisors were today notified by
Secretary Ballinger of his action.

SENATOR TILLMAN IS BETTER

Regains Power of Speech and General
Improvement Is Noticed, Says
Bulletin.

Washington, Feb. 21.—Favorable in-
dications showed themselves today in
the condition of Senator Tillman. The
initial symptoms which caused his
partial paralysis and loss of speech
have abated and improvement has
commenced, according to a bulletin is-
sued late this afternoon by the three
attending physicians. Today he re-
cognized and called by name one
of the physicians, a man whom he
had seen but one time before. At
noon today the Senator had spoken
but two words since he was stricken
last Thursday, but today when the
family physician entered his face
brightened as he recognized him, and
he said:

"Hello, doctor."

A little later the physician said
to the senator:

"I don't suppose you remember
me."

"Yes, I do," replied Mr. Tillman,
"you are Dr. White."

The doctors consider this return
of speech most favorable and they en-
certain no doubts now as to the pa-
tient's full recovery of his speech.
The senator passed a comfortable
night and awakened this morning
soon after the physicians arrived.
Following is the bulletin.

"The senator's condition is as favor-
able as could be expected. The in-
itial symptoms have abated and im-
provement is expected. The distur-
bance of speech is less marked, pulse
72 temperature normal and he is
resting comfortably. There are no in-
dications pointing to the probability
of unfavorable developments at this
time."

3 CENTS A MILE ON KATY TOMORROW

GET READY TO DIG DOWN IN
YOUR POCKET

Old Rate Effective Tuesday—Freight
Rates Boosted—Frisco Does
Not Raise

Well,
How you like it—
To pay 3 cents a mile for your
railroad traveling?

Doesn't make any difference wheth-
er you like it or not, you'll have to
pay it.
If you ride on the Missouri, Kan-
sas and Texas, alias, the Katy.
Agent Green of that road advises
today that on tomorrow morning the
3-cent fare will be put back into ef-
fect.

The fare tomorrow and afterward
to Oklahoma City will be \$2.70, 50
cents more than it is today.
The fare to Shawnee will be \$1.45,
50 cents more than today—and so on
to every station on the road in Okla-
homa. Interstate rates will be made
known in a short time.

Receipt Given.
When a passenger buys a ticket a
receipt will be given him, so that
if the supreme court decision up-
holds the 2 cent fare, the purchas-
er's one cent a mile extra which he
has paid for the ticket will be re-
funded. The price of the ticket will
be stamped on every ticket sold.

Freight Rates Up, Too.
On March 1, the Katy freight rates
will be boosted 25 per cent to 35 per
cent. Commodity rates covering as-
phalt, brick, lime, cement, stone,
gravel and other products applying
to this section of the state, will be
shoved back to the old rates.

General Supt. Quits.
E. M. Enalord who for some time
has been general superintendent of
the Katy, has resigned to become
general manager of the Midland Val-
ley at Muskogee. He is succeeded by
J. W. Walton of Denison.

No Raise on Frisco.
"We have no instructions to raise
passenger or freight rates on the
Frisco and if such a movement is
contemplated I do not know any-
thing about it," said I. McNair, agent
of the Frisco, today when asked
whether the Frisco intended to put
the 3 cent fare in effect again.

colli was the second victim of the bliz-
zard of the Panhandle country, his
body being found late yesterday af-

The unfortunate man was formerly
engaged on the section and had just
returned from Fort Worth, where he
had been given treatment. It is not
known that he was at or near Fields,
the station near where he was found,
until his body was recovered. The
body was brought to Amarillo late
last night, and is being held pending
instructions from relatives in Wiscon-
sin. The body was perhaps not visible
before the thaw, as it was lying in a
depression where the snow had been
deep.

TRIED TO LYNCH NEGRO

Texas Negro Assaults 10-Year-Old
Girl and Narrowly Escapes
Being Mobbed.

Sulphur Springs, Texas, Feb. 21.—
A negro about 24 years of age, named
Hooker Finney, was brought here
from Como, charged with criminal as-
sault upon the 10-year-old daughter
of Dr. M. C. Lynch of Como, in this
county. The negro was taken before
the Grand Jury (now in session) Sat-
urday night. He pleaded guilty and
was spirited away by Sheriff Smith.
This all occurred in the early part of
the night, and later a crowd of sev-
enty-five or one hundred men on
horseback called at the jail and de-
manded the negro. After being shown
through the jail they quietly left
town. All was so quietly done that
nothing was known about it only by
those engaged in the trial and at the
jail until this morning.

Wednesday evening, at Como, ten
miles east of Sulphur Springs, a re-
volting crime was attempted. Sus-
picious rested upon a negro boy who
had long been an employee of the fam-
ily. The little girl was about 10 years
old. During the night the child a-
woke, screaming that some one was
hurling her with his arms. The ne-
gro then quickly slipped out of the
house and the true situation was dis-
covered.

The attempt of the negro to manu-
facture evidence as to his where-
abouts led to his arrest and imprison-
ment here. The Grand Jury, being
in session, found a bill and in a few
hours the negro pleaded guilty and
was sentenced to ninety-nine years in
the penitentiary.

The Sheriff and a Deputy immedi-
ately conveyed him by private con-
veyance ten miles west of Sulphur
cold.

Springs and thence by train to Dal-
las.

About one hour and thirty min-
utes after the Sheriff left perhaps
two hundred men from Como arrived
at the jail and demanded entrance
and went through the jail, but not
finding the negro they attempted to
telephone to cut him off, but failing
in this, they quietly dispersed.

So quietly was the formation of
the mob at Como, and so quietly did
the officers carry out their plans,
that not one of the citizens of Sul-
phur Springs knew anything what-
ever of the occurrence.

SERVICES AT THE CHRISTIAN CHURCH

REV. LEROY M. ANDERSON OCCUPIES PULPIT

Preaches Two Sermons Yesterday and Will Continue Meeting Until Wednesday.

The pulpit of the Christian church was occupied last night by Rev. Leroy M. Anderson of Honey Grove, Texas. This is the first time for several weeks that there has been services at this church and following the announcement that Rev. Anderson would preach two times during yesterday, brought out a large attendance at each meeting. Much interest was created at the services and three members were taken into the church.

The subject at last night's meeting was: "Throngers and Touchers," and was handled in a masterly manner by Rev. Anderson.

The subject of the sermon tonight will be "The Man Who Missed by One" and is expected to bring out a large attendance.

The services of meetings will continue until—Wednesday—Wednesday night, and possibly longer. The members of the church are highly pleased with the interest and results after but two services and are sure each meeting will increase with interest.

Values Advertising

Rev. Anderson, knowing the value of advertising in connection with church work as well as anything else, called at the Evening News office this morning and contracted for an advertisement which appears in today's issue. One reason why he is a firm believer in printer's ink is owing to the fact that for fifteen years he was the proprietor of a large printing establishment in Denison, Texas. He is a brilliant man and is known as a strong representative of his church.

A MERRY QUARTETTE

Nearer, my post office, to thee; Nearer to Thee.

Even tho' it be a Billy Taft that raiseth me;

Still all my song shall be.

Nearer, my post office, to Thee; To Thee, nearer, to Thee.

Was the familiar and sweet refrain that Judge Ullyses G. Winn heard over the phone at the hour of 3 o'clock Sunday morning, after he had been awakened by the clanging bell and in responding had fallen over three chairs, stamped his toe and broken a lamp chimney.

Washington Birthday Features

Another great subject at the Pastime Tuesday a grand patriotic program featuring "Washington Under the American Flag." The father of our country in war and in peace. With each admission we will give a small memento, something admired by all.

TO THE PUBLIC.

Having purchased the interest of my partner, T. J. Daugherty, in the hardware business formerly conducted under the firm name of "Collins & Daugherty," we will continue in business at the old stand in the J. K. Reed building, on the South side of Main street, in the City of Ada, Oklahoma.

We wish to thank our friends and patrons for all past favors and hope to merit and receive their continued patronage.

We expect to carry a complete line of hardware, and try to please you by meeting all honest competition, and by giving you just and honest treatment at all times. We would like to see you at our store and promise you value received for every dollar spent with us.

Believing that we can serve our customers better and save them money by doing so, we will, beginning March 1st, 1910, sell for cash only, except builders hardware which we will carry on account until building upon which it is being used is completed.

We do this not because we have lost faith in our fellow men, but because it will permit us to pay cash for our goods, and take the discount on our bills, thereby enabling us to give our patrons lower prices than we could do and run a credit business.

Mr. Wardlow will remain with us, and every body knows that they get a square deal when they trade with "Tobe."

Our motto shall be, "Low Prices and a Square Deal for Cash."

Yours very truly,
J. M. COLLINS.

THE DOCTOR'S QUESTION

Some Advice Against the Use of Harsh Purgatives and Physics

A doctor's first question when consulted by a patient is, "Are your bowels regular?" He knows that 98 per cent of illness is attended with inactive bowels and torpid liver. This condition poisons the system with waste matter and causes accumulation of gases which must be removed through the bowels before health can be restored.

Salts, ordinary pills and cathartics may be truly likened to dynamite. Through their harsh, irritating action they force a passage through the bowels, causing pain and damage to the delicate intestinal structure which weakens the whole system, and at best only produces temporary relief. The repeated use of such treatments causes chronic irritation of the stomach and bowels, dries and hardens their tissues, deadens their nerves, stiffens their muscles and generally brings about an injurious habit which sometimes has almost, if not fatal results.

We have a pleasant and safe remedy for constipation and bowel disorders in general. We are so certain of its great curative value that we promise to return the purchaser's money in every case where it fails to produce entire satisfaction. This remedy is called Rexall Orderlies. We urge you to try them at our entire risk.

Rexall Orderlies are eaten like candy, they act quickly and have a soothing, strengthening, healing, regulative influence on the entire intestinal tract. MAY CALL ANOTHER SPECIAL SESSION

GOV. HASKELL WANTS FEES AND SALARY LAW ENACTED

Judicial Districts Will be Changed—
Smith Salary Bill Having
Hard Time

Guthrie, Ok., Feb. 21.—If the Legislature adjourns without enacting a fee and salary bill it will be immediately recovered in a second extraordinary session. Such is said to have been the ultimatum of Gov. Haskell when informed by members

that they feared the present session was not in the mood to tamper with existing conditions, as they affected county and district offices unless the basis for salaries out of fees collected could be placed considerably higher than pending bills proposed. The Governor gave his positive assurance that this was one recommendation he made that had to be followed or a new call would be issued within three minutes from the final adjournment.

Lobbyists Are Busy
No secret is made of the belief among members that up to this time the legislation has been retarded by lobbyists alleged to be here for the purpose of controlling it. The issue was squarely presented in a Senate resolution offered Saturday by Senator Smith of Duncan author of the fee and salary bill publicly calling attention to the lobbyists and invoking the Senate's condemnation. The resolution declares that such acts and practices are not only against

public policy but in direct contravention of the spirit and the letter of the acts of the Legislature, and that we condemn in unmeasured terms the acts, practices and apparent purposes for which such persons are now congregated in the city of Guthrie.

Since the resolution provoked discussion it went over under the rules until Monday, when the Duncan Senator insists he will call for its adoption.

Want Salaries Increased.
The Smith bill is pending before the Democratic caucus with a committee report giving the salary basis a slight lift which has drawn to the bill's support in the Senate its heretofore most active opponents. There is every reason for believing the Senate will finish with the bill this week, but a troublesome time awaits it in the House. Mr. Durham of Pottawatomie County has a substitute to offer, and other members have their ideas as to the basis of compensation, which like in the Senate is the chief feature of difference. House Democrats believe however the situation can be made harmonious by following the Senate's plan of giving the legislation detail consideration in caucus, where the unit rule prevails, and an attempt will be made to do this.

Fees and salaries was one of the two main reasons for calling the extra session Gov. Haskell advised in his message that county and district officers should be considered upon a fair compensation but is said to have left with the Legislature as to how far the changes should go. Those close to the Governor however have urged a basis in excess of that provided in the Smith bill the graduation being at leaps of 10,000 population whereas the Smith bill does this by steps of 100.

Will Change Judicial Districts
During the week it is also expected the bill restricting the State judicially will be passed in the Senate. This reduces the number of judicial districts with an increase of one.

FIRE ALARM

It is understood by all concerned that a more uniform system of handling a Fire Alarm be adopted to be as follows:

1. The Alarm shall be given to the Central operator, giving the Ward and nearest street crossing. The party turning in the Alarm shall stay at telephone until they receive the O. K. from the operator.
 2. The operator shall then give the address to the driver at the fire station.
 3. The operator shall then turn the Alarm to the general Alarm. The Whistle. The Engineer shall (1st) give fire whistle followed by—
First Ward One Blast
Second Ward Two Blasts
Third Ward Three Blasts
Fourth Ward Four Blasts
Main Street Five Blasts
Central can not give correct address unless it is given or them correct. Any one calling for Fire Station shall call 159 No. Fire.

Judge over the present number. The changes are also said to insure more Democratic Districts. Already several visiting delegations have been here protesting against the changes.

Senate Russell hopes to secure House action Tuesday on the New Jerusalem bill, which is pending with minority favorable and majority unfavorable committee reports. The bill went on the calendar without recommendation from the House. A delegation from the Farmers Union convention, recently held in Shawnee was here for several days advocating passage of the bill as well as a joint resolution which will submit it to a vote of the people at the coming general election.

A few minutes delay in treating some cases of croup, even the length of time it takes to go for a doctor often proves dangerous. The safest way is to keep Chamberlain's Cough Remedy in the house, and at the first indication of croup give the child a dose. Pleasant to take and always cures. Sold by all dealers.

The farmer and his family use the rural telephone constantly, calling up each other and the market town on all sorts of matters and for all sorts of supplies and information.

City people also find the rural telephone of great advantage. A traveler from his room in the hotel talks with the farm folks miles away. Without the telephone he could not reach them.

The farmer himself may travel far and still talk home over the Long Distance Lines of the Bell System.
